

STREET SWEEPING 2019

Village of Islandia Will Sweep Village Streets

On **Tuesday, May 7, 2019** in the “**Blue**” Section

On **Tuesday, May 14, 2019** in the “**Green**” Section

On **Tuesday, May 21, 2019** in the “**Pink**” Section

8:00AM to 5:00PM

Rain Dates are on the Friday of the week scheduled for your color code.

This schedule is designed so that residents only have to be concerned with having their cars off the street for one day during the street sweeping week.

ALL VEHICLES, trailers, portable basketball hoops, etc., **must** be removed from the streets during the above dates and times. There is no garbage pick up scheduled on these days, which will avoid any pails left in the path of the sweepers. We appreciate your cooperation in helping to “Keep Islandia Clean”.
