

Attention Seniors, Single Parents, or Just a Resident Who Needs Help

Seek shade or stay indoors
from 10AM to 4PM.

Wear protective clothing.

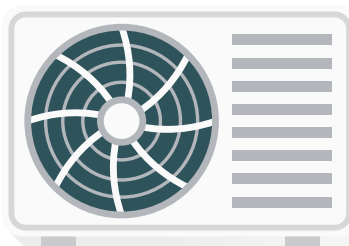

Wear sunglasses with
100% UV protection.

Use sunscreen that is SPF30 or
higher. Reapply regularly.

Beat The Heat!

**We can lend you
an air conditioning
unit for the
summer period.***

Our generator program was such a big success that we decided to extend it with the air conditioning units.

The Village of Islandia is offering the use of air conditioning units to its residents, while supplies last.

To obtain an air conditioner for your residence, give me a call at 631-348-1133 on Monday and leave a message. I will get back to you.

— Allan Dorman, Mayor

*Residents remain responsible for electric use and charges from PSEG.

REMEMBER: THIS IS ONLY THE BEGINNING!
